

"Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do... Sail away from safe harbor...Explore."

Mark Twain

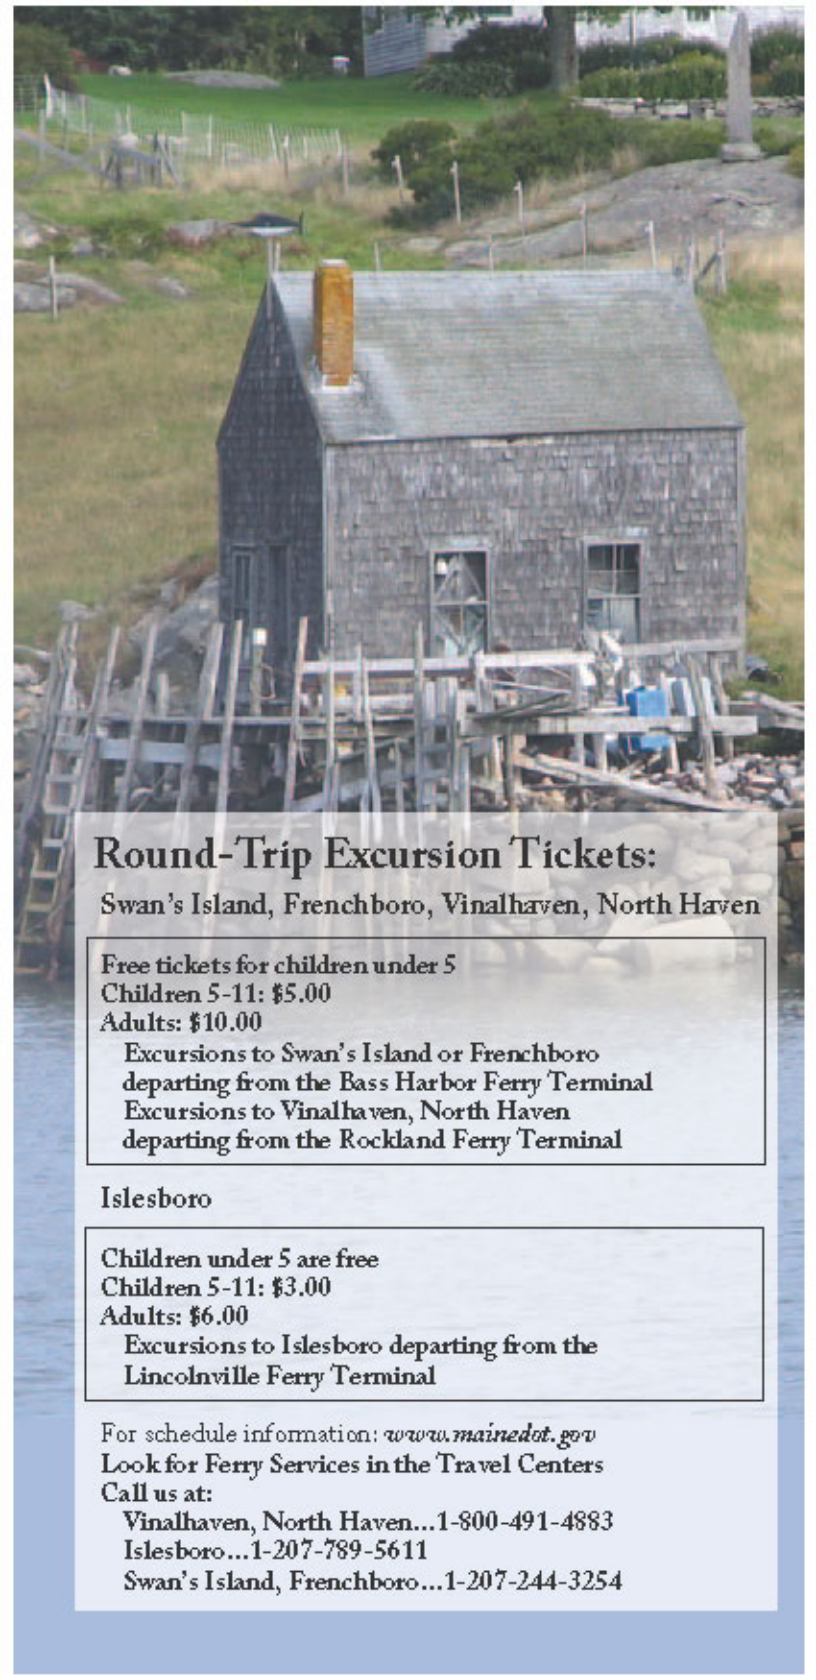

Buy a Maine State Ferry Excursion ticket and enjoy a round trip sightseeing voyage to any one of 5 islands in the beautiful Penobscot Bay region. Foot passengers can sit back and enjoy the wonderful breezes and spectacular views, travel to a charming island and then return to the mainland on the same day. This means you must use the return portion of your round trip ticket on the same day you traveled to the island.

Choose spring, summer, fall or winter. Ferry Excursion tickets are valid for travel 7 days a week year round. Excursion tickets are not sold for the very last trip of the day to the island.
